ATTENDANCE CLASS WINNERS

All classes were entered into a draw where children have had 100% attendance. The winners for week ending 06/03/2020 were **Hoxton**. Well Done!

Covid 19 (Coronavirus) Update

School is open as normal (for all activities, including planned class trips, swimming, after school clubs) and will remain so unless otherwise advised by the Local Authority or Public Health England. Parents will be informed by text and updated information will be on Pooles Park website.

The school has put the following extra precautions in place during this time:

- Posters in reception advising visitors to wash hands.
- Hand sanitizers placed around the school
- Antibacterial hand soap in all toilets (these are monitored and replenished)
- Instructions for hand washing placed at every sink.
- Hand washing/hand sanitizing for each child before lunch.
- Tray and cutlery provided individually to each child.
- Deep clean of the school is being done during the Easter break.

Any child with a high temperature will be sent home.

*****CLASS NEWS*****

Nursery/Reception

This week we have been reading The Very Hungry Caterpillar. For STEAM Week we explored our diverse planet through the many diverse colours in the world and the story we read. We made our own butterflies using water paints and coffee filters and we watched how the colours mix and spread. We have learned about the life cycle of the butterfly and using the symmetry of butterflies, we explored doubling and then halving. **If you have any spare trousers/bottoms and socks, we would welcome them. Thank you!**

Year 1

We've had a great week in Year 1 and on Tuesday we enjoyed a trip to the Three Discovery Centre in Angel. Thank you to all the parents who accompanied us. Make sure you ask your children what they made using the iPads! We were really impressed! In Geography, we have learnt the names of the different continents so we can see where Paddington Bear travelled from (darkest Peru in South America). Next week we will be learning which bears live in each continent.

Year 2

This week we have worked very hard on our assessments – well done to all of the children for taking on the challenges and being so resilient! At the beginning of the week we enjoyed a trip to the Three Discovery Store where we created our own e-books full of facts about Queen Elizabeth 1 and Queen Victoria.

Year 3/4

Year 3 and 4 have had a fantastic time during Science Week. We started the week conducting experiments to demonstrate the water cycle, then moved on to learn about sound, playing different musical instruments and then designing and making our own instruments out of recycled material. In addition to all this, we completed seven different assessments across English and Mathematics. Well done Year 3 and 4. You deserve a relaxing weekend!

Year 5

We have had a fascinating time finding out about university this week, including halls of residences, degrees and societies. Did you know that you can attend free after school sessions at IntoUniversity? We hope you enjoyed Holloway Road's Assembly about debating on Wednesday. We will let you know the results of the competition soon! We have also completed lots of assessments to see how much we have learned this year so far, well done to all for the positive attitudes and focus.

Year 6

This week Year 6 have really enjoyed STEAM Week! We conducted an experiment to see how many tastebuds there were on our tongues and whether we were 'super tasters' or not! We have been revising the topic of data in Maths - constructing our own bar charts and line graphs. The children have completed assessments this week and we are very proud of the determination they have all shown!

ARSENAL CREATIVE FUN DAY FOR CHILDREN WITH ADDITIONAL NEEDS AND THEIR FAMILIES

Saturday 21st March 9.45 a.m. - 12.45 p.m. at the Arsenal Community Hub, 52 Benwell Road N7 7BA (5 mins from Holloway Tube Station)

There will be dance, drama, music, cycling and art provided by Angel Shed Theatre Company (all free of charge). No need to book - just turn

*******EMERGENCY RECALL OF EMERADE 150mcg EPI PENS*******

All unexpired batches are being recalled due to an error in one component, believed to cause some pens to fail to activate and deliver adrenaline. They should be returned to a pharmacy where you will be given a replacement.
